Hi Anita,

We're still waiting on 2 other quotes. One of the GCs was interested in seeing the space – are you open to a quick walk-through sometime next week?

Hi Ellen,

Checking in again. I recommend that we make an offer on the space that is contingent upon getting your construction bid numbers. Best to try and secure the space for I am showing it a lot the past week.

Let me know what terms you want and I can draft it up.

Best Regards,

Ellen,

Just received the .dwg file you requested. Called the head guy at WEBCOR and got some results!

See attached for your architect.

Subject: OCEANWIDE OFFICE LAYOUT

Anita,

As requested, see attached layout of the 1150 S Hope (downstairs) office space occupied by Webcor. The dimensions are rough and not exact, but should give you a good enough idea of the current layout of the office. The blue triangles are locations of drops for Ethernet cables, or at least the locations we planned to have them installed when our lease started.
